1. INTRODUCTIONS AND REVISION TO AGENDA

Self-Introductions were made and no revisions were made to the Agenda.

2. PRESENTATIONS

- A. Fred stated that the Draft Annual Report had been e-mailed out to the TAC representatives. Some information had been received from some jurisdictions since the Draft was prepared and that information will be included in the Final. Any further information must be received by EOA, Inc. by 5:00 P.M. today to be included in the Final Annual Report for FY 2002/2003. The Final Report will be submitted to the RWQCB on August 29th.
- B. Bob reported on the lack of progress of ACA 10 (Harman) and AB 1546 (Samitian). Both are stalled, but AB 1546 may have a chance to be attached to other legislation prior to the end of the current session. The Governor's position is unknown.
- C. Habte had two handouts; 1) Discharges of Dredged or Fill Materials Under the Clean Water Act Section 401 – Water Quality Certification and 2) Tools for Construction Site Planning and Management for Water Quality Protection. Habte stated that Wil Bruhns is now the head of the North Bay Watershed Management Division of the RWQCB and Carman Fewless has been added as the RWQCB representative to the Coastside to handle 401 Certifications and Watershed issues. Habte also reported that the BayKeeper has complained that our Program is not doing enough on monitoring. The RWQCB staff is following up on that complaint. Habte also stated that the Review of the Fiscal Year 2001/2002 Annual Report for the San Mateo Countywide STOPPP was sent on August 12th and each TAC representative should have received a copy.

3. SUBCOMMITTEE REPORTS
